

# Manual For Homepage Login/Registration

Homepage view on load of application

## Citizen: Mapviewer (No Login is required)

Citizen Application view on selection of Citizen tab

## Dashboard: For Citizen and Departmental users

Dashboard view on selection of Dashboard tab

\*Users can also access dashboard from the citizen page.

### Department:

- Login page will be shown on click of Department tab.
- Registered users can login with their username and department, where an OTP will be sent to the registered mobile number.
- The user will be able to login if the OTP is confirmed.
- Users (Land, Planning, or Any Other Departmental user) can register through the Registration link.

On Department tab click, user can either Login or Register as a new Departmental user.

## Department Users:

- **Admin UPSIDA Users (Executive)**
- **All UPSIDA Users (Land, Planning, Any Other Departmental user).**

UPSIDA Users (Land/Planning/Any Other) need to fill their details and submit the form as per the below Format. The new user request will be automatically sent to the Executive/Admin.

The screenshot shows a web browser window with the URL 'onemap.nic.in/upsida/Registration.aspx'. The page features the 'ONE MAP UPSIDA' logo at the top center. Below the logo is a 'REGISTRATION FORM' with the following fields: 'Department' (a dropdown menu), 'Name', 'User Name', and 'Mobile'. There are buttons for 'Send OTP', 'Register', 'Clear', and 'Back'. A note at the bottom of the form states: 'Note: only valid for officials with (@upsida.co.in) Email ID Domain Users having Employee ID, please register with the same.'

Registration form registers departmental users

This close-up shows the 'Department' dropdown menu open, displaying three options: 'Land', 'Planning', and 'Any Other'. The 'REGISTRATION FORM' header and other fields are partially visible in the background.
